

Stoke St Michael Youth Clubs are held on Wednesday evenings between 5.30pm and 7pm for the Juniors (5 - 11 year olds) and from 7pm to 9pm for the Seniors (11- 18 year olds); on some evenings we have a total of over 40 children attend.

Some Background

These young people have organised/planned/hosted the village St Michaels Feast for the Seniors of Stoke St Michael and have organised and held fundraising events for the community including Quiz Nights, seasonal parties and car washes. These and other events have given the young people of Stoke St Michael experience in event planning, promotions, letter writing, hospitality and catering. Members of the Senior Youth Club have volunteered at the Junior Youth Club as part of their Duke of Edinburgh Awards; skills learnt from this are many and varied and include leadership skills. Discussions between staff and young people have covered On-Line Safety, Cyber Bullying, Relationships and RESPECT. Healthy Lifestyles have been promoted; - regular cooking sessions, sports activities on the playing field.

And now the request!

If you could help us to continue to provide these Safe and Welcoming Youth Clubs we would welcome your support. If you have any minutes of time that could support us either behind the scenes or on the evening please contact us on 01749 841 300, at stokestmichaelyouthclub@gmail.com or, you can private message the Youth Club on Facebook.

For example: could you support us with any of the following; applying for grants, bookkeeping, risk assessments, communications, fundraising, creating and organising a termly timetable to include guest/skills provides such as first aid. Do you have an interest, hobby or skill that you could share with us, e.g. support a cooking session, a circus skills evening or a sports themed evening, maybe you have a love of gardening or art, or perhaps a passion for music? I could go on, but enough from me and over to you 😊
